

Super Tutoring

Thanks for your interest in Super Tutoring.

The information on the following pages will help you to make an informed choice about group tutoring for Year 4 & 5 children.

We have a passion for enabling children to fulfil their potential. But we never rest on our laurels.

We build positive partnerships with students, tailoring our programme to individual goals with an emphasis on developing a greater understanding and confidence in Maths, English, Verbal and Non-Verbal Reasoning.

How it works

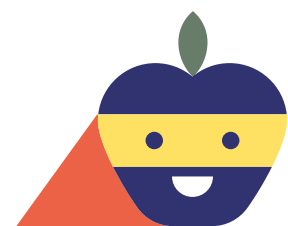

Appraisal

At our first meeting, we invite your child to complete an appraisal to find out if the groups are suitable for them.

Practise

Going forward, we work with your child to build knowledge, confidence, understanding and exam technique.

Progress

Building positive partnerships with your child and tailoring our programme to their individual goals means they'll make fast-paced progress in highly motivated groups.

Heaton Moor : Year 4 11⁺ Program Term Dates

Confidence in numbers

Our 11+ group classes are the perfect way for children in Years 4 & 5 to prepare for these crucial exams. They'll learn in a community of hard-working students and have the opportunity to make new friends.

All of our sessions are:

- Taught by specialist English & Maths teachers, delivering in-depth subject knowledge
- Formed of small groups focused on team learning, encouraging engagement and accelerating progress
- Contributing to our current 90% pass rate

%

My daughter's really enjoying the groups. She always has a big smile on her face when I come to pick her up and it's great to see her confidence growing

%

Janet, Chorlton

Book an appraisal now to secure your place

There will be an initial appraisal costing £30. Each weekly session will last for 2 hours payable every half term, in advance, working out at £25 a session.

The children will receive 55 minutes of English and Verbal Reasoning learning. Following a short 10 minute break they will then receive 55 minutes of Mathematics and Non Verbal Reasoning learning. There will be no more than 8 children per class.
